

NEXT PAGE Is A 3D Interactive Floor Plan

3D PDF Instructions

Click on PDF File to open, once PDF is using the mouse click on the plan, in a few seconds more the tool bar will open above, now take your mouse and move the plan however you want, the PDF is fully interactive. If you're unable to rotate the model you may need to update your PDF Reader, you will need PDF Reader 8 or better.

Adobe PDF Reader is free.

Click on link to Update your Adobe reader
